

# Salute to America

*Manitou Springs is bringing down prices for America!* Join us this summer to kick-off the summer season with our *Salute to Small Town Heritage*. Downtown merchants throughout Manitou Springs will be flying state flags. Just show proof of residency for the state who's flag is displayed outside that shop and receive a special discount on your purchase.

|                      |                                  |                       |                                    |
