

2009 Midweek Market a *Farmers Market Festival* Non Profit Agreement

Come participate in the weekly (Wednesday evening 4p-8p...or until sell-out) Farmers Market Festival!

There is an extensive advertising campaign for this market. The event organizers will also fund live music and entertainment each week.

Use this opportunity to **GROW visibility for your cause and make money for your programs.**

? **What are the guidelines regarding involvement?**

Non profit organizations are given the opportunity to come to the market for no charge and staff the beverage booth in the park to earn money for their organization. In addition to keeping the profits from the sale of pop, water, juice and energy drinks additional space will be reserved for the organization to set-up and promote programs. Any items sold to the public will be subject to sales tax. Market managers will collect the tax at the close of business.

Non profit organizations must agree to provide a minimum of 5 volunteers to staff general farmer market activities for their designated day in addition to the volunteers needed in the beverage sales booth. Volunteer staffing is from 2 to 8. (please note: some organizations will do a shift change necessitating 10 volunteers for one evening).

The market will provide a market t-shirt to each volunteer, token for one beverage and a token for a slice of pizza from Marilyn's Pizza.

There are only 12 slots for this opportunity available. Please do not sign up without verification that you have a commitment from enough volunteers to service the farmer's market needs. Under staffing or no shows on your assigned date will cause harm to the overall market goal for providing a quality experience.
